FOR CRITICAL MEN

You know as well as we do that your men friends are your most exacting clothes critics; if the women thought you could do better they wouldn't say so. But men don't hesitate; if you're not correctly dressed they'll let you know it; and in no case more promptly or more definitely than as to your full dress clothes. You'll save yourself some embarrassment and considerable money by coming to us for a Hart Schaffner & Marx full dress or Tuxedo suit. Because they're right, at every point, in the eyes of the most critical.

PLATT AND ODELL GET TOGETHER

Warring New York Republicans Settle Their Political Differences at White House Conference.

Will Work Harmoniously With Each Other and With President Roosevelt.

OLD SCORE THUS SETTLED

Odell Had Become Over-Important and an Open Rupture Existed in the Empire State.

Washington, Nov. 24.—Senator Thos C. Platt and Governor Benjamin B. Odell, of New York, have reached an absolute and entire agreement politically. Both will work in perfect harmony with each other, and with President Roosevelt. This, in brief, it was announced, is the net result of a conference held at the White House tonight. The parties to the conference were the president, Senator Platt and Governor Odell and Chairman George W. Dunn, of the republican state committee of New York.

For some months past there has been a conflict between Odell and Platt, owing to political differences. Platt made Odell governor and the latter became greater than the party. An open rupture existed and threatened the welfare of the organization in New York. Lesser breaches had occurred in late years, but had always heretofore been settled by friends of the two men. It is believed that the conference held tonight will solidify the republican party in the empire state and put it in good shape for the presidential election.

WOOD'S ENEMIES ACTIVE.

Washington, Nov. 24.—The sub-committee of the senate committee on military affairs, which is investigating charges against General Leonard Wood, adjourned today until Friday. When Major Runcie will be the first witness. It is generally believed, the committee is named to go to Cuba, adjournment probably will be taken until some time next March. The opponents of the confirmation of General Wood openly express the opinion that facts will be presented to the senate which the committee has excluded from the testimony. From the attitude of senators opposed to the confirmation of General Wood, it is certain a demand will be made for the appointment of a sub-committee to go to Cuba to inquire into several charges.

THE DAY IN THE SENATE.

Washington, Nov. 24.—The Panama canal question was again the leading topic under consideration by the senate today, and Morgan was again the speaker of the day. He continued his review of the history of the efforts to secure an isthmian canal and declared that to the president's ambition to secure the credit of a unique administration must be credited the favoritism manifested by him toward the Panama route. He asserted that President McKinley had favored the Nicaraguan line, and this statement was challenged by Hanna, who said he knew of his own personal knowledge that McKinley had urged the most careful investigation after he had learned the Panama canal property was available.

The question of committee assignments was again postponed, as was also the motion to reconsider the vote on the Newlands joint resolution concerning the annexation of Cuba.

Governor Morrison, of Idaho, was among the visitors on the floor of the senate today.

NO TRACE OF MISSING MEN

Eight of French Bark's Crew Still Unaccounted For.

Point Reyes, Cal., Nov. 24.—This morning the patrol force on the shore here was increased, but up to this afternoon no bodies had been washed ashore from the wrecked bark Françoise Coppe. All that is visible of the ship is her white bow, which is out of water three feet, and even this is broken. Quantities of wreckage have been washed ashore, but there was no sign of anything to tell the fate of the others of the crew, the captain and eight seamen.

NO TRACE OF MISSING MEN.

An Astorian who returned from Knappa yesterday reports that nothing has ever been heard of Erickson and Sture, the two fishermen of Blind along that were given up for drowned some days ago. It is thought by some that the bodies will eventually be found in the neighborhood of Seal Island, if they are not, it will be because they have floated seaward. The friends and relatives of the two men

are greatly distressed by their untimely fate, Mrs. Erickson being almost prostrated with grief. Her husband was known as a man of good habits and a successful fisherman, but it is not believed that he left any means of support for his large family. There are eight children, the youngest being but a few months old.

THANKSGIVING CARD PARTY.

A Thanksgiving card party was enjoyed at the home of Mrs. R. J. Pilkington by a number of ladies yesterday afternoon. The tally cards were unique designs of turkeys, gaily painted in water colors. The game played was "63" and the prizes were won by Mrs. Charles Hellborn and Mrs. Frank Patton. The ladies present were: Mrs. E. Z. Ferguson, Mrs. D. M. Stuart, Mrs. Frank Patton, Mrs. Chas. Brown, Mrs. Roland Mills, Mrs. H. D. Dyer, Mrs. George C. Flavel, Mrs. N. A. Marrs, Mrs. E. W. Tarrant, Mrs. Thomas Hyrie, Mrs. R. E. Carruthers, Mrs. G. H. George, Mrs. K. Osborne, Mrs. W. O. Wilkinson, Mrs. Albert Danbar, Mrs. Chas. Richardson, Mrs. F. A. Fisher, Mrs. A. V. Allen, Mrs. H. Christensen, Mrs. J. E. Higgins, Mrs. Richard G. Fraeh, Mrs. J. N. Griffin, Mrs. C. J. Tenchard, Mrs. A. Van Dusen, Mrs. F. D. Kuettnier, Mrs. E. M. Baker, Mrs. Cooldge, Mrs. Walter Robb, Mrs. Coyle, Mrs. Trullinger, Mrs. A. A. Finch, Mrs. Tuttle, Mrs. Horace Thing and Misses Dickinson and Lionberger.

There is reason to believe that a nest of thieves are plying their nefarious business in this city. Besides the burglary committed at the home of Frank L. Parker Monday evening, the lodging-house of T. S. Simpson was entered and an overcoat stolen. Likewise the apartments of Sam Harris were rifled of some clothing. The police are working on the cases, but so far there are no clues that will likely lead to arrests.

A number of rock cars and an engine were damaged Monday afternoon at the jetty while the impenetrable fog prevailed. The accident was in the nature of a collision, a loaded train being crashed into from the rear while stationary and waiting for an incoming empty to pass. The damage is not serious enough to cause any delay to the work and no one was hurt.

MURDER MYSTERY CLEARED

Chicago Crook Confesses to a Crime Committed in August.

Chicago, Nov. 24.—The mystery surrounding the hold-up of the cashier's office of the Chicago City Railway Co. last August, when two employes were killed, was cleared up today by the confession of Gustave Marks, who was arrested Saturday night for the murder of Detective John Quinn, whom Marks shot down while trying to escape arrest.

Harry Vandyn and Peter Neldermier are named by Marks as his accomplices. According to Mark's story, the three men went to the office of the railway company for purpose of robbery. When he ordered the men in the office to throw up their hands they obeyed, but Neldermier burst in the window of the office and commenced shooting. Vandyn then broke down the door with a sledge hammer, and went in the office and took the money. About \$250 was secured. Marks says the money was evenly divided.

Marks confessed tonight that he had been connected with four other murders since then. All were for the purpose of robbery.

SOLDIERS MEAN BUSINESS

Will Not Submit to Insults From Striking Miners.

Salt Lake, Nov. 24.—A special train of seven cars left this city shortly before 12 o'clock tonight bearing state troops, who have been ordered into Carbon county, the scene of the disturbances between striking coal miners and the Utah Fuel Company. The soldiers, 400 in number, are prepared to stay in the disturbed district for an indefinite period. The train is expected to reach the scene of the trouble about daybreak. Upon arrival camps will be established immediately. Before leaving the city General Cannon addressed the guardsmen.

"We are not to be jeered at nor sneered at," said he. "You are expected to be firm in purpose and quick in action in quelling any disorders or violations of the law. Soldiers on their beats are to submit to no insults or intimidation."

SURRENDERS TO THE REBELS

San Domingo Capitulates and President Flees City.

Cape Haytien, Nov. 24.—Dispatches received here from Puerto Plata says the city of San Domingo was surrendered to the revolutionists this morning and President Wos Y Gil and his intimates took refuge on board a German warship. The dispatches say great enthusiasm prevails.

BIG STRIKE IS SETTLED IN CHICAGO

Agreement as to Terms Reached Early This Morning by Railway Company and the Striking Employes.

Adjustment Is Complete Victory for Corporation, Which Wins Almost Every Point.

NO DECREASE IN THE WAGES

Settlement Effected on Basis Satisfactory to Men—Those Who Used Violence Are Excluded.

Chicago, Nov. 24.—The strike of the employes of the Chicago City Railway Company was settled at an early hour this (Wednesday) morning. The basis on which the settlement was reached is a complete victory for the company, as far as the original demands of the men are concerned. The agreement reached will be ratified at a meeting of the men this morning, and it is expected that traffic will be resumed on all the lines today.

The only important concession made by the company was an agreement to reinstate all strikers, including members of outside unions who went out in sympathy with the trainmen, with the exception of those who resorted to violence during the trouble.

The arbitration of the wage scale is to be according to wages paid outside Chicago and not on the basis of local street railways. These are the two points that have been the stumbling block to peaceable adjustment of the strike for the past week. The company has insisted that it pays higher wages than any other similar corporation in the country. The men were fearful that arbitration on the scale paid in other cities would decrease their wages, and they fought stubbornly for their point.

COLOMBIA WANTS FAIR PLAY

If She Does Not Get It, War Will Surely Follow.

Bogota, Nov. 21 (via Colon)—A prominent politician here, who is loyal to the government and thoroughly posted in the affairs of the administration, today characterized the action of the United States on the isthmus of Panama as most unjustifiable. He added: "Colombians hope the reasonable and fair-minded people of the United States will bring such pressure to bear

on the government at Washington that the result will be the saving of the isthmus to Colombia. All Colombians protest, as would the people of other nations, against this aggression of the United States. Colombia is confident that justice will be done here, and Colombians are unanimously resolved to sustain and defend the national integrity, even at any sacrifice. The Bogota government is receiving the support of all political parties, and is daily made generous donations of gold and jewels to meet such expenses as may become necessary."

THIS IS DIFFERENT.

Panama, Nov. 24.—Advices from Bogota show that the boasted union of all parties in Colombia is without any foundation. On the contrary, the conservative organs are in open rupture with the nationalists concerning presidential and vice-presidential candidates.

DINNER TO SENATOR FULTON.

Washington, Nov. 24.—Senator John H. Mitchell gave a dinner tonight in honor of Senator Fulton. Speeches were made at the close of the banquet. More than 50 persons were present, of whom 25 were United States senators.

PASSENGER TRAIN DITCHED.

Butte, Nov. 24.—A Miner special from Glasgow, Mont., says: A Great Northern passenger train was wrecked at Lanark, 100 miles east of here, at 5 p. m. The engineer and fireman were instantly killed. Seven coaches were ditched. The wreck was caused by stock on the track.

CHINESE WILL FIGHT.

London, Nov. 24.—Private advices from Peking are to the effect that General Yuan Shi Kai, governor of Chili, has informed the emperor that he is prepared to declare war against the Russians in Manchuria.

HARSHMAN GETS LONG TERM

Oregon Bandit Is Sentenced to Twelve Years.

Portland, Nov. 24.—Gay Harshman, the bandit who was shot by Express Messenger Fred Kroner while attempting to hold up an O. R. & N. train near Corbett last September, was today sentenced by Judge Cleland, of the state circuit court, to 12 years' imprisonment in the penitentiary. The convicted man was the member of the gang whose confession led to the apprehension of the others.

WARE SOON WILL LEAVE HIS OFFICE

Pension Commissioner Will Serve Another Year and Return to Kansas to Resume Law Practice.

Has Never Felt Satisfied With the Duties of Commissionership Since Taking the Job.

WILL NOT DISCUSS MATTER

Declines to Confirm Statement Which Is Given Out Authoritatively From Another Source.

Washington, Nov. 24.—It can be announced that Eugene F. Ware, commissioner of pensions, will retire from that office about the middle of November of next year, and will return immediately to the practice of law in Kansas.

The decision to resign and to return to private life is the result of his long-felt dissatisfaction with the duties of his office, a feeling that has grown steadily since the early days of his administration of that bureau. Ware tonight declined to admit that he has or had any intention of tendering his resignation.

ARMSTRONG MAY NOT HANG

Supreme Court Has Opened Way for Habeas Corpus.

Salem, Nov. 24.—The supreme court this afternoon overruled the motion for a rehearing in the case of the state vs. Pleasant Armstrong, and tomorrow the attorney-general will order the mandate sent back. This action opens the way for the institution of habeas corpus proceedings by counsel for Armstrong to secure his release on the grounds that there is no law in existence under which he can be executed.

TROOPS AT TELLURIDE.

Telluride, Col., Nov. 24.—Six companies of infantry and two troops of the cavalry of the Colorado National Guard, about 500 men, under command of Major Zeph T. Hill, reached Telluride safely this afternoon. The train, in four sections, was run very slowly, great caution being taken to prevent any disaster. The mine owners will now attempt to reopen their mines and mills with nonunion men.
